PROCESS OVERVIEW	LEVEL 1: Physician Detailing	LEVEL 2: Specialty Care Rx Management
 IDENTIFY OPPORTUNITIES	Analyze the group's pharmacy claims utilization to identify cost savings opportunities, appropriate medication use, non-adherence concerns or medication safety issues.	This level reviews specialty medications to verify medical necessity and appropriateness, and prevent unnecessary prescribing. All physician engagement is performed directly by Univera Healthcare clinical professionals.
 PHYSICIAN OUTREACH	A dedicated pharmacy team will contact prescribers to request a prescription change to a lower cost and clinically appropriate option, or address a gap in care.	Engage providers with claim-level detail to choose the most cost-effective and clinically sound drug therapy.
 REALIZE SAVINGS	By controlling costs with savings opportunities and medical necessity reviews, groups will have increased savings through these personalized experiences with impactful results.
